

## SVL MAC MINUTES AUGUST 17<sup>TH</sup> 2021

- I. **Roll Call**- Bo, Graeme, Mary, & Dennis via Zoom
- II. **Call to Order** By Dennis at 8:34
- III. **Agenda**- Agenda revised to reflect correction to Supervisor Cook's website. Motion to approve made by Bo, Seconded by Graeme
- IV. **Minutes** Motion made by Graeme, Seconded by Bo; Unanimous
- V. **Public Comment**
  - a. No public comment
- VI. **Public Safety Reports**
  - a. Noel Castillo from the County gave an update on the semantics of "Speed bumps vs humps"
  - b. Noel suggested a survey from Special districts to determine whether the community would support installing more humps/lumps on the residential roads being affected (67% approval rate would be necessary)
  - c. Mary asked whether these installations would impact operations of first responders/law enforcement; Noel responded that they always work with local police/ambulances when planning installations
  - d. Mary relayed a question from Bill about whether or not a survey is needed. Informed that it is always done with a community survey to ensure the community is represented
  - e. Graeme suggests a better solution is to have greater CHP presence in SVL to prevent speeding, as opposed to additional humps; contracting with CHP and SVLA to have a full or part time CHP officer for targeted enforcement
  - f. Further discussion of the possibility of a survey
- VII. **Information/Non-Action**
  - a. Dennis gave an update on the archway.
  - b. Discussed the potential of having a MAC email address & phone number
  - c. Discussion of Hidden valley Fire and Station 22
  - d. Discussion of traffic lights on Vista Point and Ridgecrest, asked the Supervisor's office to look into it and see what the proposal is.
- VIII. **Action Items**
  - a. None
